SCHOOL LIFE AND ROUTINE, SCHOOL RULES AND PRESSURES

In this activity you need to practice the topic SCHOOLS.

First, you need to listen to the questions by clicking on the audios. Then, you need to answer in Spanish, trying to expand your answers as much as you can. You can use the hints to learn new vocabulary, double check your verb tenses and see examples.

If your teacher has asked you to send the practice, just click "start recording" at the beginning of the session, then send the audio file to your teacher by email or upload it on your school portal.
